PC&IM POLICY ALERT
No. 03-28/Rev. 001
FY03 Defense Contract Action Data System (DCADS)
Updated

REFERENCE: DDP Information Release E-mail dated 10 April 2003

TYPE OF ACTION: Policy

EFFECTIVE DATE: 1 July 2003

SUMMARY: The Director, Defense Procurement and Acquisition Policy has issued Change 2 to the FY03 DCADS edit specifications. Change 2 includes new reporting codes for certain blocks and editorial changes; it is effective 1 July 2003. **However, CACI has notified us that Change 2 will not be available in Comprizon until further notice.**

ACTION REQUIRED: *DO NOT PREPARE OR MARK FOR EXPORT A DD FORM 350 REPORT FOR AN AWARD MADE ON OR AFTER 1 JULY 2003 UNTIL FURTHER NOTICE FROM PC&IM.*

Comprizon does not yet contain Change 2. If you prepare a DD Form 350 prior to receipt and installation of Change 2, you will need to delete the report and re-enter the data. Contracting officers may wish to keep a log of all FY03 awards made during this period in order to prepare the DD Form 350 reports after Change 2 has been installed.

When CACI provides the Change 2 update, PC&IM will issue a revised DD Form 350 Report Preparation Instructions for FY03.
